Oakland Nursing Center is now open and accepting patients!

OAKLAND NURSING CENTER

Oakland Nursing Center, a 26-bed skilled nursing facility is conveniently located on the 3rd floor of Surgeons Choice Medical Center. In this partnership right from the start, our team of professionals will help you to regain your health, mobility and the skills necessary to return you to your prior level of independence.

We aim to provide the best level of care in our small, easy to manage environment. Personal and top-quality patient care is the foundation of our facility.

Unlike other facilities, we combine our hospital-based services, such as Laboratory, Pharmacy and Medical providers to care for our skilled nursing patients. Our board-certified physicians, skilled nursing and rehabilitative staff are here to help you with all levels of short-term rehabilitation and medical needs. Additionally, we offer some of the best patient to nurse ratios in the community.

Medical conditions requiring rehabilitation may include:

- » Joint Replacements
- » Fractures
- » Amputations
- » Multiple Trauma
- » Severe or Advanced Osteoarthritis
- » Stroke
- » Neurological Disorders
- » Cardiac and Respiratory Rehabilitation
- » Debility
- » IV Therapy
- » Wound Care
- » Tracheostomy Care

We accept most insurances.
Please contact our Admissions Coordinator to set up a tour of our facility or with any questions you may have at (248) 423-5106.
